1095-B Tax Form Available Electronically

Historically, 1095-B tax forms would be mailed to customers by February 1 to confirm Minimum Essential Coverage for the prior tax year. While the 1095-B form is not required to file taxes, many customers expect a copy.

This year, Cigna has transitioned from physically mailing 1095-B tax forms to on-demand electronic availability, as part of Cigna's [corporate social responsibility initiative](#) to reduce our paper footprint. Now enrollees can access their 1095-B tax forms anytime, anywhere via myCigna.com®.

Encourage your employees to visit and register on myCigna® to easily save, print, or email their electronic 1095-B for the 2022 tax year.

Direct your employees to [Cigna.com](#) for more information on how to log into [myCigna](#) to download a copy of the form. Paper copies of the form are available upon request and can be made via email or mail:

Your employees can also contact Cigna at 1 (855) 310-7345 or the number on

the back of their ID card with questions specific to the 1095-B form.

We are excited to reduce our paper footprint and have customers join us on this digital journey.

If you have any questions, please contact your Cigna representative.
